

Job opening: RECONDITIONING (ICE BLASTING) TECHNICIAN

Are you looking to become a member of a team that encourages and appreciates employee development? If so, Kosmo Machine Inc. is looking for you to join our AS9100 Certified (Aerospace) machine shop. We currently have a Reconditioning Technician position open. Kosmo offers a competitive benefits package, including PTO, medical, dental and education reimbursement, etc. We even have a full-time chef that prepares lunch Monday through Thursday.

The Reconditioning (Ice Blasting) position is responsible for the parts reconditioning process including transport, inspection, cleaning and reconditioning as needed.

ESSENTIAL DUTIES AND RESPONSIBILITIES (including, but not limited to):

- Perform all tasks while adhering to Kosmo Machine Inc. priorities of Safety, Quality and Productivity.
- Learn and understand Company policies and procedures
- Transport parts for reconditioning to and from customers site.
- Proper loading and handling of parts with or without lifting equipment.
- Perform incoming dimensional and visual inspections.
- Uses gages and measuring instruments to verify tolerance requirements.
- Perform Ice Blasting process on customer product.
- Set-up and operate various machine tools in a safe and responsible manner.
- Properly use cutting tools, fixtures and other tooling.
- Perform daily and regular cleaning and light maintenance tasks on equipment.
- Responsible for accurate time reporting and data entry.
- Attend on-site training and safety classes to increase knowledge.

KNOWLEDGE AND SKILLS

- Ability to use hand measuring tools.
- Ability to define problems, collect data, establish facts and draw valid conclusions
- Ability to interpret an extensive variety of technical information.
- Effectively communicate and understand job instructions both verbally and written in the English language.
- Ability to lift up to 50 lbs. when required.
- Near and far visual acuity to be near 20/20 with or without corrective lenses.

REQUIREMENTS:

- Must have a valid driver's license.
- Must have excellent written and verbal communication skills.
- Computer skills are required in this position.
- Must be able to work weekends and/or rotating shifts.
- An individual must be able to perform each essential duty and responsibility in a satisfactory manner.
